### M'LE TREBELLI WILL SING FROM THE FAMOUS OPERAS

One of the Most Celebrated Prima Donnas of the Day to Appear in This City  
Friday Night.

M'LE ANTONIA TREBELLI, Dolores will entertain the music loving people of Honolulu at the Opera House tomorrow night. A world of pleasure is contained in the foregoing sentence, for many of the residents of this city, in anticipation of the event, and the full realization will come when the clear, liquid voice of one of the best known sopranos of the day is lifted in song, and the musical tones fill the hall.

Perhaps in no other city of the United States is the proportion of musical people so great as in Honolulu, and a warm welcome is assured the prima donna.

Years of study under the most celebrated masters in the world has equipped Mlle. Trebelli with a technique unsurpassed, and enabled her to make the most from nature's gift. Associated with Maurice Grau, she was considered one of his chief drawing cards, and it is due to her excellent work in the "Resurrection of Lazarus" that the opera gained such popularity in New York last winter.

Mlle. Trebelli is en route to Australia, where she is going to fill several engagements during the summer season. Europe will be the field of her next victories, and in all probability the people of the States will not have an opportunity to listen to her songs again for about three years.

The program for tomorrow evening has been prepared with great care, and will include twelve songs by Mlle. Trebelli, who will be assisted by Robert Clarence Newell, the celebrated

**BUT SHE WON THE BET.**

A young lady in Representative Lacey's Iowa district won perhaps the most difficult wager made in that section. "You know," explained the Congressman in telling the story the other day, "there is always a hard fight in my district, and the Democrats have been beaten up to election day, and even to election night until the very time when the vote is announced. Generally in years gone by there has been considerable betting. This year more of the wagers were laid on my majority, a favorite figure being about 500. The young lady referred to had been about my headquarters, where she had some knowledge of what was going on. She made an even wager that my majority would be 2,500. It seemed like a preposterous wager, but she won it. I had 3,144 votes to spare over my opponent, the largest majority I had had previously being 1,471."

TREBELLI.

piano soloist and accompanist. Selections from "Mignon" will be rendered, as will also several of the old English ballads, which never fail to please the most critical audience.

**THRIFT REWARDED.**  
"How long did it take you to save up those 200 soap labels?"  
"I've been saving them for more than two years."

"What did the manufacturers send you when you returned the pile to them?"  
"They sent me a pair of the cutest little rubber dolls you ever saw, and the best thing about it is that if anything happens to the dolls, or you lose them, the company will replace them for 3 cents apiece."

**AN HONEST MEDICINE FOR LA GRIPPE.**

George W. Waitt of South Gardner, Me., says: "I have had the worst cough, cold, chills and grip and have taken lots of trash of no account but profit to the vendor. Chamberlain's Cough Remedy is the only thing that has done any good whatever. I have used one bottle of it and the chills, cold and grip have all left me. I congratulate the manufacturers of an honest medicine." For sale by Benson, Smith & Co., Ltd., sole agents Hawaii Territory.
